- Tripod mountable
- Indoor & outdoor use
- 50m+ outdoor range
- Water & dust resistant
- Dual reading detector

## The XL5s suit:

- Electricians
- Builders
- Tilers

## Powerline XL3 Crossline Laser **Code:50036**

4 horizontal 4 vertical lines + plumb down

Top of the range in our crossline range, the XL3 has a full 360° horizontal line and either two or four vertical lines.

Automatic self-levelling, when unit is turned on it generates a 180° horizontal line and plumb down. At a push of a button complete the horizontal line and active all four vertical lines. Vertical lines create the plumb up. The XL3 can run off mains or batteries.

Simply push the 'outdoor' mode button and the laser will operate via the supplied detector to a minimum 50m radius.

- Self-levelling: Gravity Indoor working radius: 10m
- Outdoor working radius: approx. 50m with detector (supplied)
- Levelling range: 5° Accuracy: +/- 1mm/5m horizontal & vertical
- Accuracy at zenith: +/- 2mm/3m
- Battery usage: 8 hours continuous
- Batteries: rechargeable.
- Supplied with a XL Series Tripod Spacer.
