Trade Quality Products

S4BL 4 Beam laser

Code: 50092

Laser dot plumb up and down with a crossline to the front. Strong, highly visible dots and lines project up to 20m in subdued light conditions.

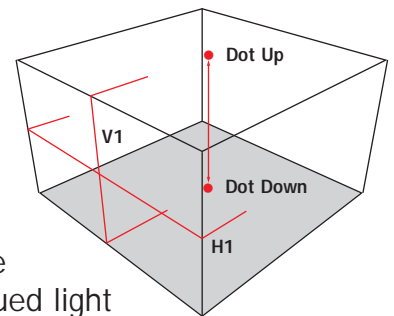

Self-levelling, the S4BL comes with 'magnetic' 360° rotational base that mounts on a standard tripod.

Locking switch turns the S4BL on and allows it to self-level.

Self-levelling range: +/-3°
Battery life: 20hrs continuous

Perfect for tiling, framing, door & window installation, dropped & suspended ceilings, lighting and more.

Comes with detector and clamp for outside use to 50m.
