Trade Quality Products

S7BL

7 Beam Laser Level

Powerline S7BL 7 Beam Laser Level Code: 50033

S7BL 7 Beam Laser Level Code: 50033

Self-levelling laser with magnetic pendulum. Generates plumb up and down dot and three horizontal dots all at 90° to each other and a vertical and horizontal crossline to the front of the unit.

Multiple mounting options including magnet base, tripod and benchtop mount all included in a large blowmould kit. Dots and lines blink when unit out of levelling range.

Great for shop fitters, electricians, builders, steel fixers, window and garage door installations, carpenters, plumbers and tilers.
