

Powerline

S5BLG Green Dot Laser

INSTRUCTION MANUAL

SAFETY

Please read this instruction manual before operating this product.

Please store this instruction manual in the carry case for future reference.

CAUTION: Class 3 Laser Product

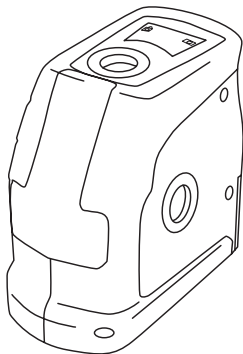

Do not stare directly into the laser beam from apertures.

Do not disassemble the instrument or attempt to perform any internal servicing as this will void your warranty. No user serviceable parts included.

Only approved and authorised service technicians can carry out warranty repairs.

ITEM CHECKLIST

Please ensure the following items are included with your laser.
If anything is missing please contact your retailer.

Carry case

Batteries

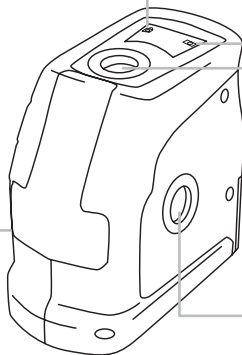

PRODUCT OVERVIEW

Lock indicator

Battery indicator

Power / locking switch

Dot laser ports (x5)

USING YOUR LASER

Power Supply

The S5BLG is powered by three AA alkaline batteries.

Setting Up

- Select a place as close as practical to the work site.
Ensure the location is clear of traffic.
- Place the laser on a level surface such as a bench or mount.

Operation

- To turn the unit on turn the *power* switch to “on” position.
Self levelling will commence and the 5 laser dots will appear.
- If the unit is outside the self levelling range the unit will not level causing the speaker to beep and the laser beam to turn off.

CARE AND MAINTENANCE

- ▶ This is a precision instrument and should always be transported within the carry case provided.
- ▶ Always turn the on/off lock to “off” when transporting the unit.
- ▶ Whenever possible, store the instrument in a dry, shady location.
- ▶ The S5BLG should be calibrated every 6 months, if ongoing accurate levelling is required or an impact has occurred.
- ▶ The operator should check the S5BLG for accuracy before precision levelling is attempted.
- ▶ Clean the instrument with a dry, soft cloth after use in dusty, damp or wet conditions before storing.
- ▶ Smudges and fingerprints may be removed with a damp tissue or a soft, lint-free cloth.

WARRANTY

The Powerline S5BLG comes with a 3 year manufacturers warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Separate to the above Australia Consumer Law, *Spot-on* offers a global warranty.

SERVICE AND SUPPORT

30 Day Free Service

If your laser is out of calibration within the first 30 days of purchase you are entitled to a free calibration adjustment. For more information please contact your retailer or *Spot-on*.

Customer Support

To assist you with any queries or technical questions please contact the customer support line: 1300 658 338
