

CL-2 Red Crossline Laser

INSTRUCTION MANUAL

SAFETY

Please read this instruction manual before operating this product.

Please store this instruction manual in the carry case for future reference.

CAUTION: Class 2 Laser Product

Do not stare directly into the laser beam from apertures.

Do not disassemble the instrument or attempt to perform any internal servicing as this will void your warranty. No user serviceable parts included.

Only approved and authorised service technicians can carry out warranty repairs.

ITEM CHECKLIST

Please ensure the following items are included with your laser.
If anything is missing please contact your retailer.

General Homeline CL-2

Laser glasses

Carry case

Indoor tripod

Batteries

PRODUCT OVERVIEW

CONTROL PANEL

Horizontal line mode

Vertical line mode

USING YOUR LASER

Power Supply

- ▶ The CL-2 is powered by two AA alkaline batteries.

Setting Up

- ▶ Select a place as close as practical to the work site.
Ensure the location is clear of traffic.
- ▶ Place the laser on a level surface such as a bench or mount.

Operation

- ▶ To enable self levelling slide the *locking* switch to the “unlocked” position.
- ▶ Press the *line mode* buttons on the control panel to activate the horizontal and vertical beams.

CARE AND MAINTENANCE

- ▶ This is a precision instrument and should always be transported within the carry case provided.
- ▶ Always turn the on/off lock to “off” when transporting the unit.
- ▶ Whenever possible, store the instrument in a dry, shady location.
- ▶ The CL-2 should be calibrated every 6 months, if ongoing accurate levelling is required or an impact has occurred.
- ▶ The operator should check the CL-2 for accuracy before precision levelling is attempted.
- ▶ Clean the instrument with a dry, soft cloth after use in dusty, damp or wet conditions before storing.
- ▶ Smudges and fingerprints may be removed with a damp tissue or a soft, lint-free cloth.

WARRANTY

The General Homeline comes with a 1 year manufacturers warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Separate to the above Australia Consumer Law, *Spot-on* offers a global warranty.

30 Day Free Service

If your laser is out of calibration within the first 30 days of purchase you are entitled to a free calibration adjustment. For more information please contact your retailer or *Spot-on*.
