

# MMR-W10R

## MACHINE MOUNTED RECEIVER

Product code: 50510    Barcode: 9331197002579

Features	Specifications	Spot-on MMR-W10R	Includes
240° sensors for wide detection angle	Accuracy	Fine: ±5mm Coarse: ±12.5mm	MMR-W10R
Compatible with red beam rotating laser levels	Laser class compatibility	2 Red & 3 Red	Clamping mount for MMR-W10R
Rain, dust and vibration proof	Wireless communication range	200m	Alkaline batteries
Speaker for audible detection	Operating temperature	-10°C to +40°C	Hard carry case
Strong heavy duty mounting magnets	Battery life	30+ hours (when wireless communication is not active)	
Two way radio frequency (wireless) communication for host and slave mode operations with additional MMR-W10R devices (sold separately)	IP rating	66
